

Corporal Work of Mercy: Care for the Sick Candy Drive to Benefit Local Cancer Patients

What: **Help Collect leftover Halloween Candy for the comfort of others**
SPC Teens collect leftover Halloween candy to benefit area cancer patients and others in need. The 26 banker boxes of candy collected by the teens in 2009 were mostly divided among area cancer centers. Extra candy was sent to military overseas and a small amount provided for holiday gift baskets for those less fortunate.

In between shifts, teen volunteers will be asked to:

- spend time in prayer at statue of St. Peregrine or in the chapel
- make cards and decorate gift bags for the patients

Where: **The Church Narthex**

When: **Collections will take place before & after all Nov 6 & 7 Masses**
Several Teens are also asked to assist with delivery to area cancer centers.

Sign Up: Email klockhart@stpeterchanel.org to sign up once shifts are announced.
