

Foundational Religious Education is satisfied through attendance in our Parish School of Religion weekly classes (PSR) or through attendance at an Archdiocesan Catholic School. According to the Archdiocesan guidelines, children preparing for these Sacraments must maintain an 80% attendance rate in their religious education instruction.

Sacramental Formation consists of specific events that are to be attended by all children and/or parents during the second year of preparation. Full participation in these events is to be completed before you child can be scheduled for the celebration of either sacrament. A Calendar listing the details of these events can be found at a link below.
