

WELCOME TO THE ST. PETER CHANEL NURSERY!

Our new nursery space is up and running. We are very excited to provide you and your children with a larger, improved space near our new sanctuary. Please take a few minutes to review the policies and procedures listed below.

AGE

- All children in the nursery must be 12 months or older and walking
- Children must be less than three years of age (age as of September 1, 2008)
- Children who are three as of September 1, 2008 are invited to be part of a 3-year-old PSR class.
- If your child is over the age of three and needs special care, please contact Cathy Marbury so that we might properly place him/her in a safe setting.

VOLUNTEERS

- Our nursery is staffed with two coordinators
- Parent volunteers are needed to maintain proper ratios
- If your child participates in nursery, it is expected that you will volunteer at least once every month.
- Our nursery can easily accept 20 children but only if we have enough volunteers to maintain safe ratios

PAGERS

We make every attempt to keep your child happy in the nursery. Some circumstances require us to ask that you remove your child from our care. Please remember we must do what is best for the group. Since your child comes infrequently to the nursery, this situation is very different from individual home care or consistent day care and your child may react differently to this setting.

- Pagers are provided to parents who register a child in the nursery
- We will page you under the following conditions
 - Your child is ill
 - Your child aggressive and provides a safety threat to young children
 - Your child is very upset and cannot be calmed

We are happy to provide this service to you. Please contact us if you have any questions
