

## AGE 6 – WEDNESDAY SESSION - 2009-2010 SYLLABUS

The Age 6 Level curriculum consists of sessions from the Finding God textbooks and sessions that focus on liturgical events and Catholic tradition.

- When the calendar shows a Unit and Session number (*i.e.* Unit 1 God Loves Us; ***Session 1: God Made Everything***), the catechist and aides plan the lesson using the Finding God teacher’s manual, the weekly lesson supplements provided in Section 3, and other resources found in this eManual. Please note that the textbook is not followed sequentially. We try to group the units in conjunction with the teachings associated with the liturgical year.
- When the calendar states: “Session planning done by the Religious Education Staff”, we will plan the lesson for you for that week. It is important to note that while we plan the session, you will be implementing and overseeing the different activities. Teacher attendance on these days is greatly encouraged.

DATE	SESSION
